NEWS OF THE OLD WORLD-BY CABLE TO THE REPUBLIC

MRS. SMITH BARRY

Peerage Will Be Revived for Husband of General Wadsworth's Daughter.

ENGLISH DERBY CANDIDATES.

Jockey Tod Sloan Will Have the Mount on Keene's Horse, Disguise II, of Which Much Is Expected.

Copyright, 1908, by the Associated Press. London, May 19.—The Carrymore peerugs will be revived in favor of the Right Henorable Arthur Bush Smith Barry, chairman of the National Union of Conservatives' Association. It became extinct in IEM, with
the death of the sixteenth Earl Barrymore,
who was one of the largest land owners in
Ireland, Smith Barry malatains that he is
the rightful Baron Barrymore. It is one
of the arclent Irish prevages, and was in existance long before it was formally recogistance long before it was formally recogsociation. It became extinct in 1824, with istance long before it was formally recog-

nized by Henry VIII. The Right Honorable Arthur Hugh Smith Barry, who was born in 1843, was first married to a daughter of Lord Dunrayen, who died in 1884, and in 1889 he married Mrs. Elizabeth Post of New York, widow of Arthur Post, and daughter of General Wadsworth, U. S. A., of Genezoe, N. Y.

Reene's Derby Candidate. American interest in the Derby was enimulated this week by the excellent reports of James R. Keene's Disguise IL These who recall the tragle end of Tod Slean's mount on Holocaust in 1829 are watching with renewed interest the develements of his Keene mount this year. While the Prince of Wales's Diamond Jubiles has wen the distinction of being a 2 to 1 favorite, and T. R. Dewar's Forfarstilre is second favorite, these looking for longer odds note with interest the good re-

Fresh advices received from the expedition to Abyssinia, headed by William Fitzhack W

rounds, "Boha" fights on Bath Olivers These are not a new fangled form of com pressed ration, but a simple looking tiscult made at liath, the first racipe for which is credited to the celebrated Doctor Officer. friend of the Pope and other Eighteenth

Century notabilities, "Bobe" apparently took out a large sup-

ply of these, and since has sent for more, which were taken by Lady Roberts. Regarding General Eutler and his suppiles, there is also an interesting aneddote current. Buller, it appears, telegraphed from Natal to some wine merchants to send out fifty cases of champagne, marked "castor oil." About the time the wine was due, Buller wired to the officer in charge of the base and notified him that he expected fifty cases of castor oil, which he wished dispatched without delay. The officer at the

Carnegie's Castle. The Highland people are wondering huge-ly at the amount of steel Andrew Carnegle is using in the erection of his addition to Skibo Castle. The sleepy hollows have never before seen a building so done. It all comes from Pittsburg. Skibe is now dubbed "Iron Castle." It is said a mason mistock the millionaire for some poor visitor and patronized him. On learning his identity he excused himself, saying he 'ought to wear butter clothes, so that people may be able to tell who you are."

marks are not recorded.

The Tallor, a newspaper, evidently agrees with the muson, for, in a sartorial criticism of the clothes represented at this year's academy, it declares that the lapels of Mr. Carnegie's coal were clumey, the edges very woubly and had been forced through a machine of the werst character.

The Tallor, a newspaper, evidently agrees with a parhetic frankness found in few with a parhetic frankness found in few of these grewsome documents submitted to the Associated Press, he continues:

"I have tried to keep the Kherwera barrar open to all, but, as I have only 8,000 rupes; lent me for the Merwer at Dadar, which to purchase grain, I have miser-

stolid plety. Last year's statistics, just is-sued, show the primons were full to over-flowing, and that the officials were at their

As Well as the Safest and Chenpest. The new medical discovery, Stuart's Dyspepsia Tableta, digest the food instead of making the worn-out stemach do all the work, give it a much meded rest, and a care of dyspepsia is the natural result. You get nourishment and rest at the same time, because these Tablets will thoroughly digest all wholesome food taken into the stomach, whether the momach works or but. A cure is certain to result because the not. A cure is certain to result beca

digestive organs are given a chance to rest and recover their materal vigor and tene. The Tabless are then no longer required. To show the manner in which the remedy acts on different people and how quickly and effectually it cures stomach troubles we present a few recent cases.

Mr. J. O: Wonday of Peoria, Ilia, writes: I was unable to sat anything but the plainest food, and even that often distressed me, but since using one box of Stuart's Dyspeptial Tablets I can eat anything and everything I want.

Masauapho is contrary to the agreement, I him at San Sebastian. It is probable that hope the Foreign Office will take steps to they want to get counsel of moderation. M. De Roulede did not refuse it. His speech may be summed up as follows:

especially let us respect the Exposition.

This touching accord of Drevfusards and anti-Dreyfusards to adjourn things which they remard as serious does not prevent the advance goard of the Nationalists from at-

France is a country where these who call

New Income Tax Bill. M. Caillana, the Minister of Finance, will, troduce the income tax bill of which such dreadful tales have been in circulation. The istalls have now been made known and the measure is much less serious than was propheshed.

The tuxpayer who has less than 2000

francs (9800) income will pay less than for-merly; those who have 12,000 francs (82,400) will pay 250 france (250), instead of 180 france (250); 22,000 france (35,000 income will pay 19,000 france (\$1,500), Instend of \$,50

This new tax will produce about 221,900,000

(\$100,000) to relieve Catholic, Israelite or Protestant priests who may be in need of assistance; 1,000,000 francs (\$200,000) to various charitable establishments in Paris; 200,-609 francs (\$10,000 for distribu 600 frames (\$10,000) for distribution to the poor on the day of his death; 202,000 frames (\$72,000) to the Assistance Publique; 6,000,000 france di 200,00% for the foundation and support of a hospital for diseases of the eye;

support of a hospital for diseases of the eye; 30.000 franca (500.000) to the Louvre, as well

as his art collection; 509.638 frames (\$100,000) to the Prefect of the Scine for the imme-

voted to giving an allowance to forty poor

A RELIABLE PILE CURE.

The Pyramid Pile Cure is the safest and surest pile cure on the market, because it contains no mineral poisons nor opium nor cocaine, but can be used with absolute safety and certainty of cure.

Many physicians are now using the Pyramid Pile cure in place of surgical operations, being painelse, convenient to use, and the patient can attend to his daily occupation while the cure is being made, as it is used at night, and no additional treatment is necessary.
